

## POSITION AVAILABLE:

### Technology Operations & Support Manager - Queenstown

This not your run-of-the-mill ICT job!

If you want an awesome career with the Bungy Originals, want to make a difference & enjoy a great time doing it, we've got the perfect role!

We're seeking a highly capable technology professional, with excellent, proven individual & team management capabilities, to join our Crew. Duties include working alongside the Tech Team, leading & supporting the usual corporate ICT environment, the breadth of Photo & Video technologies & exciting new process automation. We'll provide the opportunity to continue developing your skills & experience, in a dynamic, challenging & technically creative environment, if you can bring the right combination of experience, aptitude, initiative & dedication &, of course, the ability to deliver service with a smile!

Ready to sign up?! We'll need you to be/have:

- Meaningful/relevant Degree, Certificate, Qualification &/or extensive experience at a Senior Technology Engineering level
- Demonstrated strong people & team leadership capabilities
- Comprehensive hands-on knowledge & experience of ICT infrastructure - spanning Corporate Level ICT Environments - LANs, WANs, Virtual Server Environments, Wireless Technologies, Business Systems & Applications
- Comfortable & experienced with Audio, P&V products & solutions, preferably!
- A logical & methodical approach to problem solving & solution development
- Exceptional customer support
- Excellent under pressure & able to prioritize contending team & individual workload demands
- Awareness of new developments across the technology & media sector
- Experience or knowledge in the ITIL framework
- NZ work eligibility

We're looking for long term commitment &, as a leading adventure tourism company, operating 7 days/week, 364 days/year, across multiple sites, you will be required to work outside of standard working hours, to cover business operations, where necessary.

We're all about developing & cultivating a Crew that mirrors & represents our eclectic customer base & are committed to fair hiring practices & equal opportunities, so if you're keen to add to our diverse & inclusive team, who have fun at work & take pride in what they do, please send your application to [hrmanager@bungy.co.nz](mailto:hrmanager@bungy.co.nz) using reference: TECH MANAGER
