

POSITION AVAILABLE:

Technology Support Engineer - Queenstown

We're growing our Tech Team again! If you're a tech whizz, looking for an awesome career with the Bungy Originals & want to enjoy an amazing time doing it, we've got the role for you!

We're seeking a Junior/Intermediate level Technology Support Engineer, with proven experience, to join our Crew. Duties span the usual corporate ICT environment, the breadth of Photo & Video technologies & encompass exciting new RFID technology deployments & process automation. We'll provide the opportunity to continue developing your skills in a dynamic & technically creative environment, if you can bring the right combination of experience, aptitude, initiative & dedication - with the ability to deliver service with a smile, of course!

Still keen?! We need you to be/have:

- Meaningful/relevant Degree, Certificate, Qualification &/or experience at a Junior/Intermediate Technology Engineering level
- Strong & comprehensive knowledge & experience of ICT infrastructure - spanning Corporate Level ICT Environments - LANs, WANs, Virtual Server Environments, Wireless Technologies, Business Systems & Applications
- Comfortable & experienced with Audio, P&V products & solutions, preferably!
- A logical & methodical approach to problem solving & solution development
- Exceptional customer support
- Excellent under pressure & able to prioritize contending workload demands
- Awareness of new developments across the technology & media sector
- Experience or knowledge in the ITIL framework
- NZ work eligibility

We're looking for long term commitment &, as a leading adventure tourism company, operating 7 days/week, 364 days/year, across multiple sites, you will be required to work outside of standard working hours, to cover business operations on a rotating roster.

We're all about developing & cultivating a Crew that mirrors & represents our eclectic customer base & are committed to fair hiring practices & equal opportunities, so if you're keen to add to our diverse & inclusive team, who have fun at work & take pride in what they do, please send your application to hrmanager@bungy.co.nz using reference SUPPORT ENGINEER
